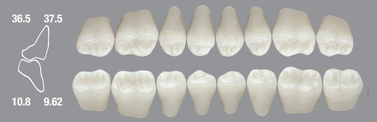
KENSON F35

F35

Introducing F35, the new extra large mould size in Kenson F-10 Posterior Teeth. This natural looking, shallow cusp posterior is wider and longer than the popular F33 mould size, making F35 ideal for partial dentures. Available in 16 matching VITA shades and whiter white shade 51.



KENSON XL & X36 TEETH

XL Teeth

Upper central incisors only...over two millimeters wider and longer*. Available in all Kenson shades.

The new Kenson XL mould saves you the trouble and expense of making teeth from scratch or reaching for more expensive brands when you have a large anterior space to fill in an upper complete or partial denture

* ACTUAL SIZE

X36 Teeth

Upper bicuspids only....
Kenson mould X36 is an ideal space filler for partial dentures; can also be used as a molar.

* ACTUAL SIZE

KENSON RESIN VITA SHADES

Kenson Teeth, the professional's choice for 50 years, are now available in 16 matching VITA shades that are True to Life.

Myerson continues to offer Kenson Teeth in the 10 original Kenson shades: 55, 61, 62, 65, 66, 67, 69, 77, 81, 87, plus New whiter white shade 51.
